Notes:

Thank you very much for your support.

Please let us know if you would like to be added to our mailing list.

Chiks provides for about 200 children in three orphanages. Funding is always required, of course, and we need to hold money in reserve to meet the occasional emergency. Sponsorship of the Homes, with a child contact, has become very popular, and legacies can make a huge difference in our programme of total care, education and training for independence. Do please consider Chiks when discussing your Will with a solicitor. A codicil can easily be added - and bequests to charities are tax-free.
